## Return Policy

### Return Policy for Fermentation and Filtration Products

We offer credits if products are returned within 15 days of shipment. **Please call Scott Laboratories prior to return for authorization.** Once we receive your returned items we will issue a credit to your account. Please note that we are not responsible for perishable items that have not been stored properly by the customer. If you are returning items for any reason, the following conditions apply:

- Sealed units must be unopened and undamaged upon return.
- **Goods that have been marked or labeled will not be accepted and no credit will be issued.**
- Damage claims must be reported within 5 working days of receipt of your order.
- Original packing must be retained for shipping company inspection of shipping damage claims.
- Sorry, but we do not accept returns on malolactic bacteria.
- A 20% restocking fee will be applied to all returns.
- Customer to pay return freight costs.

**Note: To avoid problems, all packages should be opened immediately upon receipt and contents should be checked against the packing slip.**

Scott Laboratories should be informed immediately of any discrepancies.
